MobiliseYourCity contribution to the SDGs

Goal 3 - Good Health & Well-being

Ensure healthy lives and promote well-being for all at all ages

Targets

3.6 By 2020, halve the number of global deaths and injuries from road traffic accidents

MobiliseYourCity Contribution

Deaths and injuries from road traffic accidents will be reduced by 33% in Yaoundé and improved, but not yet quantified, in Douala and Santo Domingo.

Goal 8 - Decent Work & Economic Growth

Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

Targets

8.4 Endeavour to decouple economic growth from environmental degradation

MobiliseYourCity Contribution

By supporting a transition to sustainable urban mobility, the Partnership indirectly supports decoupling economic growth from environmental degradation, by contributing to GHG emissions reductions in its partner countries and cities.

Goal 9 - Industry, Innovation & Infrastructure

Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

Targets

9.1 Develop quality, reliable, sustainable and resilient infrastructure

9.a Facilitate sustainable and resilient infrastructure development in developing countries through enhanced FA and TA

MobiliseYourCity Contribution

Developing reliable, sustainable and resilient infrastructure is at the heart of the MobiliseYourCity Partnership. In just three partner cities, Douala, Yaoundé and Santo Domingo, 2 metro lines, 8 BRT corridors, 5 cable cars, and more than 21 bus corridors and 5 transport hubs will be financed through mobilised investments by the Partnership.

37 million EUR in TA provided by the Partnership has mobilised 435 million EUR to build quality, reliable, sustainable and resilient infrastructure. An additional 26 billion EUR in investments in infrastructure have been identified and ready to be developed.

Goal 11 - Sustainable Cities & Communities

Make cities and human settlements inclusive, safe, resilient
and sustainable

Targets

11.2 By 2030, provide access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport, with special attention to the needs of those in vulnerable situations

11.6 By 2030, reduce the adverse per capita environmental impact of cities, including by paying special attention to air quality

MobiliseYourCity Contribution

In just three partner cities, an additional 6 million people will benefit from improved access to safe, affordable, accessible and sustainable Public Transport. MobiliseYourCity is directly supporting an additional 31 cities with a combined population of 45 million people.

In Santo Domingo, 600.000 USD have been secured for improving access to Public Transport for disabled persons. Another 600.000 USD will be invested in conducting a study to develop a tariff subsidy for the most vulnerable populations.

MobiliseYourCity contributes to improving air quality in cities. A MRV approach has been developed by the Partnership, but data is not yet available.

Goal 13 - Climate Action

Take urgent action to combat climate change and its impacts

Targets

13.2 Integrate climate change measures into national policies, strategies and planning

13.3 Improve education, awareness-raising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning

MobiliseYourCity Contribution

MobiliseYourCity implementing partners have supported 12 countries integrate climate change measures into national policies through NUMPs.

We have capacitated nearly 700 people on how GHG emissions can be mitigated through sustainable transport measures.

16 PEACE, JUSTICE
AND STRONG
INSTITUTIONS

Goal 16 - Peace, Justice & Strong Institutions

Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels

Targets

16.7 Ensure responsive, inclusive, participatory and representative decision-making at all levels

16.8 Broaden and strengthen the participation of developing countries in the institutions of global governance

MobiliseYourCity Contribution

Responsive, inclusive and participatory decision-making is the basis for the development of Sustainable Urban Mobility Policies and plans in over 12 countries and 39 cities with the Partnership's support.

The MobiliseYourCity Partnership ensures that local partners are included in outreach activities both at international events, such as UNFCC COP, and decision making instances, such as the Steering Committee Meetings

Goal 17 - Partnerships for the Goals

Strengthen the means of implementation and revitalize the global partnership for sustainable development

Targets

17.3 Mobilise additional financial resources for developing countries from multiple sources

17.9 Enhance international support for implementing effective and targeted capacity-building in developing countries to implement all the sustainable development goals

17.19 Enhance the global partnership for sustainable development to share knowledge, expertise, technology and financial resources, to support the achievement of the SDGs

MobiliseYourCity Contribution

37 million EUR in TA provided by the Partnership has already mobilized 435 million EUR. The Partnership is confident that at least 4 billion EUR will be mobilized.

MobiliseYourCity is a global partnership for sustainable development that mobilizes and shares knowledge, expertise, technology and financial resources, to support the achievement of the SDGs in 13 partner countries and 60 partner cities.

The partnership has established a knowledge platform as a particular instrument to share knowledge on sustainable mobility.
