

## MobiliseYourCity's Global Forum Forum Agenda – **Morning** – Asia/Europe/Africa

### Friday – 25. June 2021

**9:00 – 9:45**

#### **Opening: Scaling Success and Increasing Ambition**

High-level representatives of the governments of Germany, France and the EU discuss how the lessons of five years of successful implementation can be rapidly scaled to meet the global challenges of the moment.

**9:45 – 10:30**

#### **Panel Discussion: Mobility Planning to Mobilise Finance**

Leading international financial institutions discuss the linkages between mobility planning and financing for sustainable urban mobility. How can strategic planning help leverage resources for a sectoral transformation?

**10:30 – 10:45**

#### **Inspirational Talk – Digital by default: How digital technologies are revolutionising urban mobility**

A Ted-like talk by Olga Nevskaya Managing Director of Telekom MobilitySolutions

**10:45 – 11:30**

#### **Roundtable: National Governments Empowering Cities for Transformational Change**

Roundtable of representatives from local and national governments discuss how vertical coordination, an enabling framework, and a financing facility can accompany infrastructure investments to enable cities to transition to sustainable mobility.

**11:30 – 12:00**

#### **Outlook: Transport's Road to COP26. The Role of Global Partnerships for a Net Zero Future**

From the NDC Partnership to the Marrakesh Partnership for Global Climate Action, the role of Partnerships is recognised as fundamental for systemic transformation. The panellists will discuss how global partnerships contribute to the transport sector's decarbonization and what they can do as a prelude to COP26.
